

# Creating Family Stability through Housing Partnerships

 **Family**  
**Promise**  
of Greater Indianapolis

For over 25 years,  
FPGI has worked to  
transform the lives of  
families experiencing  
homelessness.

Because every child  
deserves a home.

**We are part of an affiliate network of more than 200 Family Promise branches around the nation. FPGI's programs have served over 1,000 families, 70% of which have consistently secured housing.**

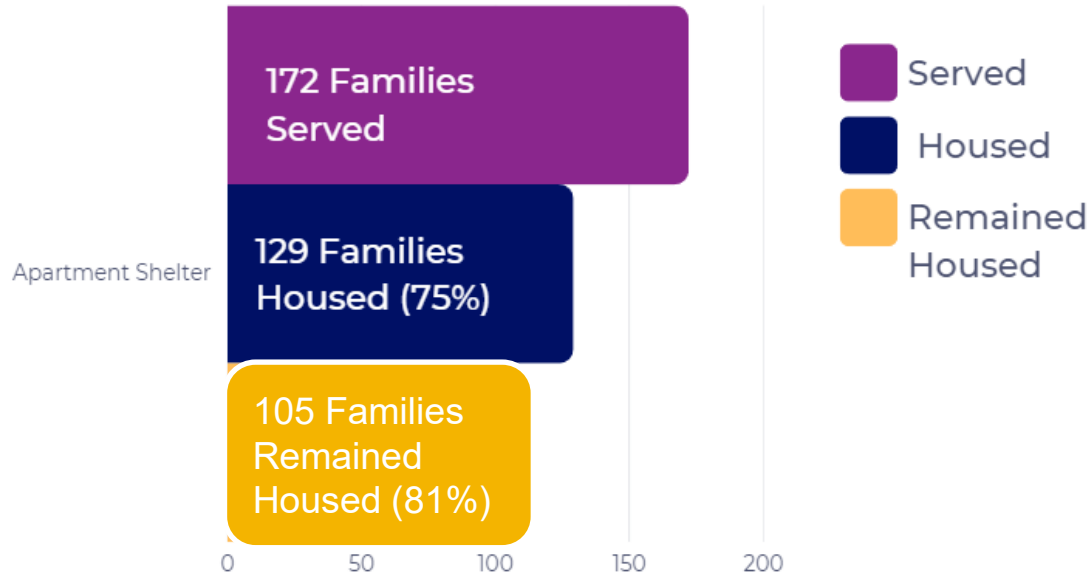

With advocacy efforts to improve public policy and an innovative new shelter model that provides perhaps the most dignity-preserving shelter experience for children in the nation, we remain steadfast in bringing our vision to fruition: **making homelessness rare, short-lived, and recoverable.**

Homelessness increases the likelihood that a family will separate or dissolve.

**We make sure families stay united during the most difficult times of their lives.**

# 2021-2023 IMPACT DATA

- Over 90% of the families we serve are African American.
- We are currently housing 39 children in shelters and have found stable housing for 73 children in 2023.

# About Gene B. Glick Company

**Glick is one of the largest privately held real estate ownership, development, and management firms in the U.S. Quality, safe and affordable housing is the foundation for individual, family and community stability. Glick firmly believes all people deserve the opportunity to reach their full potential and live a life of dignity, and our team members support residents in achieving their goals.**

Founded in  
**1947**

Number of Apartment  
Homes  
**21,000**

Number of States Served  
**13**

# Housing Partnership

In July of 2020, the Gene B. Glick Company donated five apartments at Carriage House East Apartments on the far east side of Indianapolis. This donation was the beginning of the Apartment Shelter Program. The program has expanded since that time to include five additional apartments at Carriage House East and five apartments at The Woods of Eagle Creek Apartments located on the northwest side of town.

# Community Impact

The FPGI partnership with Glick has created a path to stabilized housing for children and families.
